## *Burnet County Republican Women, President*

Dear BCRW,

Hey Y'all,

We have the privilege of living in the very best state, Texas! We live boldly and with an independent spirit in the Lone Star State. Our Republican-led policies have delivered a vibrant economy, a reasonable cost of living and a desirable/safe quality of life. Yup, in Texas we have it good.

NOW is the time to put your Texas-sized energy into keeping our state RED.

The Texas Democrats and others are trying their hardest to turn our beloved state BLUE. We have seen our largest cities, run by liberal mayors and city councils, move far away from the policies that make our state exceptional. Well y'all, we just can't have that.

The election is drawing near with early voting staring on October 13th. We need to start NOW to spread the word to "Finish What You Start" and vote Republican from the top of the ballot (President Trump) to the very bottom. Each race is important and the Republican candidates in ALL races need our support.

Saddle-up and join the ride for a RED Texas!

### *Kay*

P.S. Why not sign-up to work a shift at our Burnet County Republican Headquarters? Just give Dottie Stueckroth a call at 830-613-9474.
